

## MHS Heraldry Group

### Blazoning - Unit 2

The geometric designs called Ordinaries or Sub-Ordinaries are among the most frequently met charges on a coat of arms, so it is important to be able to remember their names. In the images below the name always refers to the part shown in black. As usual, there are others too, but I've ignored them for now.

### IT IS IMPORTANT TO MEMORISE THESE CHARGES

Chief

Fess

Bars

Bend

Bendlets

Bend sinister

Pale

Pallets

Chevron

Chevronels

Cross

Saltire

Bordure

Escutcheon

Orle
